ACTIVITIES & INFORMATION

- 1 WELCOME CENTER:** Get a map of the facilities, collect a stamp!
- 2 FRENCH CULTURE:** Discover innovative French VR experiences «The Eiffel Tower», an invitation to discover the hidden side of the exceptional Parisian monument, «Planet», when climate change leads to a world in ruins, and «Claude Monet, the Obsession of the Nymphaes» which will bring you to the garden to the Orangerie Museum, to explore time and space around The Water Lilies series.

- 3 CAMPUS FRANCE USA:** Become familiar with the French academic system and find out opportunities to study abroad.
- 4 CULTURAL VISTAS:** Learn about the Congress-Bundestag Youth Exchange for Young Professionals, the Internationales Parlaments-Stipendium des Deutschen Bundestages, and other exchange programs to take you to Germany.
- 5 TRANSATLANTIC SCIENCE & EXCHANGE:** Discover German and French scientific institutions, as well as opportunities to study, intern, and much more in Germany. Learn about diverse programs for educational and cultural exchanges, and the extraordinary research, funding and career opportunities in Germany and France. Enjoy a bee hive display and honey tasting from the French Embassy. Learn about Fraunhofer USA, which strives to strengthen transatlantic collaboration in education, applied research, and innovation.

Sign up for newsletters and connect with the cultural sections of the embassies.
- 6 FRENCH-AMERICAN CHAMBER OF COMMERCE:** How well do you know French business and trade? Come challenge yourself and try to win goodies and delicious madeleines!
- 7 CHILDREN'S "FUN" PASSPORTS:** Get your special edition children's passport made just for the EU Open House, complete with photo. Children can then collect stamps from other booths while exploring the other offerings.
- 8 CLIMATE & ENERGY:** Learn about the Transatlantic Climate Bridge – a tool to communicate, cooperate, and exchange on best practices on the federal, national, regional, and municipality level.
- 9 TRANSPORTATION:** Find out how the Air Mobility of the Future will look like, spin the wheel of fortune, try the taste of an airplane and check projects related to the Paris 2024 Olympic Games.
- 11 PRESS DEPARTMENTS:** Here's your chance to be a spokesperson and take a picture to show your friends!
- 12 GERMAN INT'L SCHOOL WASHINGTON & GERMAN LANGUAGE COURSES:** Enjoy science demonstrations, get your face painted, spin the Wheel of Fortune to win exciting prizes, and best of all, get your "passport" stamped by Griffin, our mascot.
- 13 GOETHE-INSTITUT:** Learn about upcoming cultural programming, German language courses, online projects, and resources for German educators.
- 14 LYCÉE ROCHAMBEAU:** Join us for interactive games and student artwork celebrating French language and culture. Activities for the whole family.
- 15 MY FRENCH CLASSES:** Try out a speed language course and other fun activities for children in French.
- 17 The UNIVERSITY OF MARYLAND'S BEE SQUAD** brings you the science and research behind bees: why native bees are important, ongoing bee research and there will be even be a honey bee observation colony. Test your knowledge on bees with a few questions.

- 18 The GERMAN WINE SOCIETY** will be serving German wines and sharing information about the 13 wine regions within Germany. The German Wine Society has been promoting enjoyment and education about German wines since 1977 and is celebrating its 45th anniversary this year.
- 19 FRENCH & GERMAN AGRICULTURE & FOOD:** Learn about German and EU agriculture.

Take fun quizzes on French agriculture and taste a wide range of French agricultural products – including an assortment of cheeses, fresh French baguettes and delicious Bayonne Ham.
- 20 GERMAN NATIONAL TOURIST OFFICE:** Visit our booth and find inspiration for your next trip to Germany! Stop by to discover Germany playful while participating in a game of Memory, taking a fun quiz, or just learning more about the travel destination Germany.
- 26 GERMAN & FRENCH MILITARY:** Stop by and visit with members of the French and German military. See some of their various uniform pieces. Learn about their presence on American bases and work with American partners.
- 27 GERMAN FEDERAL LAW ENFORCEMENT:** Do you feel like a detective? Try out a puzzle from the federal police or get your fingerprints.
- 28 PARIS 2024:** Can't wait to see the 2024 Olympic Games happening in Paris? Discover the progress of the projects and immerse yourself in this fantastic competition that is over 100 years old! Kids, come design your own sailing boat for the competition and take it home.
- 29 MONNET BENCH:** Have you ever wondered how and where Jean Monnet drafted his idea of the European Union? Come and discover an authentic Parisian bench that will be settled later this year in Rock Creek Park in memory of Jean Monnet's stay in DC. Stop by at 1 pm and watch a play performed by the Picnic Théâtre about one of the most famous fathers of Europe. At 11 am, come enjoy piano and violin compositions.
- 30 FACE PAINTER**
- 33 BONJOUR BOOKS:** Come step inside a French bookstore! Bonjour Books DC will bring a selection of children's books in English and French for browsing and will be doing various read-alouds throughout the day in both languages. At 10:30 am attend a special storytime and activity for French speaking children ages 4+. Limit 20 children.
- 34 CHILDREN'S CORNER & BALLOON ARTIST:** Relax in a pleasant corner with your little ones. Pick up a coloring book, work on a puzzle, read a book, marvel at our balloon artist, and enjoy a tasty treat.

THE FRENCH AND GERMAN EMBASSIES
THANK THE FOLLOWING FOR THEIR GENEROUS DONATIONS:
